Re: Petition of the Office of Regulatory Staff for a Proceeding to Timely Review FCC
Mandated Reductions to Intrastate Access Tariffs
Docket No.: 2012-136-C

Dear Ms. Boyd:

The Federal Communications Commission's November 18, 2011 USF/ICC Transformation Order, FCC 11-161 (WC Docket No. 10-90) requires carriers seeking to obtain recovery through the federal mechanisms established in that Order to make certain certifications to the FCC and to state commissions regarding their eligibility for, and their compliance with the rules applicable to, such recovery. Specifically, 47 C.F.R. §51.915(d)(3) requires Price Cap Carriers to certify annually to the FCC and to relevant state commissions that the carrier is not seeking duplicative recovery in the state jurisdiction for any Eligible Recovery subject to the federal recovery mechanisms.

In compliance with that requirement, AT&T South Carolina submits as Attachment A to this letter its certification concerning its compliance with the FCC requirements. As a Price Cap Carrier, AT&T already has made the required certification to the FCC in a filing dated June 18, 2012.

By copy of this letter, I am serving all parties of record with a copy of this letter and its attachment as indicated on the attached Certificate of Service.

Sincerely,

A handwritten signature in black ink that reads "Patrick W. Turner". The signature is written in a cursive, flowing style.
